

This application should be submitted by a) a current UCSB student or b) an authorized staff member of a national organization to propose establishment of a fraternity or sorority colony/chapter at UCSB. Submission of this application does not guarantee that an organization will be approved to establish a colony/chapter at UCSB. Failure to comply with the University’s expansion policies and procedures (see “2016 UCSB Expansion Guidelines”) may result in deferral of University recognition of the colony and/or chapter.

Throughout this application, the term “national organization” is used interchangeably with regional, national, and international fraternity and sorority headquarters. “National organizations” are defined by UCSB as those that maintain:

- A headquarters or office space and staff,
- Non-profit status with the U.S. Internal Revenue Service (IRS),
- A Board of Directors with a regional structure component as well as governance documents,
- Proof of general commercial liability insurance with a minimum of one million dollars in coverage, and
- Regional and national structure of meetings or conventions.

“Local” organizations that do not meet all of the aspects of the “national organization” definition above are not eligible for expansion at UCSB.

Please submit all application materials via E-mail (PDF) or bound hardcopy to Miles Ashlock, Assistant Dean & Director, UCSB Office of Student Life at miles.ashlock@sa.ucsb.edu. If you have any questions, please contact him directly at (805) 893-3544.
